To Whom It May Concern,

I am pleased to write this letter of recommendation for Gordon Carey, who has served as a middle school Science and ESE inclusion teacher at East Bay for the past two years. During this time, Mr. Carey has consistently demonstrated professionalism, dedication, and a strong commitment to student success.

Mr. Carey is an exceptional educator who effectively supports a diverse group of learners, including students with exceptionalities. His ability to differentiate instruction and provide meaningful access to the curriculum ensures that all students are engaged and challenged. He creates an inclusive, supportive classroom environment where students feel valued, respected, and motivated to learn.

Beyond his work in the classroom, Mr. Carey is an invaluable member of our school community. He serves as our school's web manager, maintaining clear and effective communication with families and stakeholders. His attention to detail and willingness to take on additional responsibilities have greatly benefited our school.

Mr. Carey exemplifies what it means to be a team player. He consistently volunteers wherever he is needed, collaborates effectively with colleagues, and contributes positively to the school culture. He has built strong, trusting relationships with students and families, which has had a lasting impact on our school community.

I highly recommend Gordon Carey without reservation. He will be a tremendous asset to any organization, fortunate enough to have him.

Best Regards,

Rachelle Wood, Assistant Principal
